

## Roanoke River Flow Report

19.	Summary of mean and maximum enrichment factors for 15 trace elements in surface sediments from Middle River and Cashie River, two tributary channels of the lower Roanoke River.....	102
20.	Concentrations of 15 trace elements for all surface samples and enrichment factors for all surface and deep samples collected in the lower Chowan River.....	103
21.	Concentrations of 15 trace elements for all surface samples and enrichment factors for all surface and deep samples collected in the inner Albemarle Sound.....	105
22.	Rankings of mean flow for various periods during 1989, 1990, 1991, 1992, and 1993 .....	111
23.	Bi-weekly summaries of daily flows of the Roanoke River at Roanoke Rapids, NC for 1991 .....	112
24.	Bi-weekly summaries of daily flows of the Roanoke River at Roanoke Rapids, NC for 1992.....	112
25.	Bi-weekly summaries of daily flows of the Roanoke River at Roanoke Rapids, NC for 1993.....	112
26.	Results of reservoir operations for 1991-1993 using the Negotiated Flow Regime ..	132
27.	Weekly summaries for 1991 hourly flows using Table 13 $Q_1$ - $Q_3$ boundaries, full period .....	138
28.	Bi-weekly summaries for 1991 hourly flows using Table 13 $Q_1$ - $Q_3$ boundaries, Negotiated Period .....	139
29.	Weekly summaries for 1991 based on absolute value of hourly variation, full period $Q_1$ - $Q_3$ .....	139
30.	Bi-weekly summaries for 1991 based on absolute value of hourly variation, Negotiated Period $Q_1$ - $Q_3$ .....	140
31.	Weekly summaries for 1992 hourly flows using Table 13 $Q_1$ - $Q_3$ boundaries, full period .....	140
32.	Bi-weekly summaries for 1992 hourly flows using Table 13 $Q_1$ - $Q_3$ boundaries, Negotiated Period .....	141
33.	Weekly summaries for 1992 based on absolute value of hourly variation, full period, $Q_1$ - $Q_3$ .....	141
34.	Bi-weekly summaries for 1992 based on absolute value of hourly variation, Negotiated Period $Q_1$ - $Q_3$ .....	142
35.	Weekly summaries for 1993 hourly flows using recommended $Q_1$ - $Q_3$ boundaries...	142
36.	Bi-weekly summaries for 1993 hourly flows using Table 13 $Q_1$ - $Q_3$ boundaries, Negotiated Period .....	143
